

**Borough of Chambersburg Natural Gas Department Offers the Main Street Energy
Efficiency Financing Program**
An On-Bill Financing Program to Residents for Energy Efficient Appliances

February 15, 2011 – Chambersburg, PA – The Borough of Chambersburg is participating in the Main Street Energy Efficiency Financing Program, an on-bill financing program designed to improve energy efficiency for customers by providing low-cost financing to residential homeowners for the purchase and installation of natural gas Energy Star rated appliances to replace non-gas units.

Funds are available for residential homeowners where natural gas service is available for the purchase and installation of natural gas ENERGY STAR™ residential appliances – natural gas furnaces, natural gas tank-less water heaters, and certain tank water heaters.

The Main Street Energy Efficiency Financing Program is a municipal service for citizens and customers located within the natural gas service areas of municipally-owned natural gas distribution systems.

“We are pleased to offer the Main Street Energy Efficiency Financing Program to the residents of the Borough. We understand that upfront costs can be burdensome and this is an avenue to relieve some of the upfront costs and manage payment of appliances that will ultimately save residents money on their monthly utility bills.” said Jeffrey Stonehill, Borough Manager, Chambersburg, PA.

Structure & Requirements of Loan for Citizens

- Maximum loan amount - \$5,000
- Loans are available for natural gas ENERGY STAR™ rated furnaces and water heaters in the Borough to replace non-gas units
- Maximum loan term – 60 months
- Loans will carry a 0% interest rate
- Each loan will carry a \$3.00 per month administrative fee
- Loan repayments will be added to customer’s monthly utility bill

Interested Borough residents should first call the Gas Superintendent, John Leary at 261-3234, or the Assistant Gas Superintendent, Jonathan Mason at 264-6385 for more details on how to apply for the on-bill financing program and to make sure natural gas is available in the area.
