For example, if you wish to purchase a family membership during the 20% discount period, the second final payment must be received by January 31 to receive the 20% discounted rate.
- The membership is not valid and will not be issued until the balance of the cost is paid in full; and must be paid no later than July 4. If the final payment is not received by July 4, a refund of the first payment will be issued.
- Upon request, the first installment may be refunded as the pass will not have been issued; however, all refunds will be assessed a 10% processing fee deducted before return. Refund will be paid by check by the Borough and mailed to the address given at the time the first payment was made.
- On or after the first official day of the pool season, only full payments will be accepted.
